lage ROUNG Chakr, Sangkat Khmuonh, Phnom Penh.

**Dear Sir/Madam**

I would like to express my interest in the position. As a recent I studying year 4 ( at evening) in department of Computer Science and Engineering, I believe that my knowledge and some experience make me the right fit for the position.

In addition from Royal University of Phnom Penh, I chosen to be a leader of assignment projects. I worked at part-time staff at Master IT for mostly 3 year from March 2021 to June 2023 with some main responsibilities.

As part of my learning experience outside the university, I successfully completed my study part time for Web Developer, Software Developer, and POS System. I am a quick learner under your guidance.

Thank you for your time and consideration. I would be appreciated if any meeting with you to discuss my application further.

Sincerely,
